Foreword

Monmouthshire Livestock Auctioneers are pleased to offer a superb catalogue of sheep for the 10th Annual Sale of North Country Cheviots at this now well established Sales Venue. Thank you to our vendors once again for the support, in bringing forward a terrific offering of both Males & Females to suit all jobs and systems from commercial types to the show potential sheep.

Unfortunately, due to Bluetongue Restrictions we are missing our English Vendors this year, hopefully we can welcome them back for the In Lamb Sale in January.

This year we are fortunate to be offering Two Flock Dispersals; the Ty Uchaf flock from Mr Carwyn Harries, Llanddeusant and the Refail flock from Mr Will Hughes, Llanidloes.

Both flocks are well established within the breed, and the dispersals offer a great opportunity to purchase genuine, sound stock from some great bloodlines. The Auctioneers wish to thank both Mr Harries and Mr Hughes for their kind instructions.

Transport can always be arranged to most parts of the country, please contact the auctioneers prior to sale day if you require assistance with this.

We wish to take this opportunity to thank both of our judges this year, Mr James Bruce (Park Type) and Mr Tom Iredale (Hill Type), both of whom have travelled a considerable distance to be with us, it is very much appreciated and we hope you enjoy your day.

Please Note that this year The Black Welsh Mountain Sheep aim to start at 11:30am (30mins earlier) so that we can hopefully start the **Sale of North Country Cheviots at 2:30pm.**

If you have any other queries regarding the sale, please contact the Auctioneer Phil Jones at any time.
