#### STORE CATTLE

*Auctioneer: Stephen Williams*

A tremendous entry of 295 store cattle forward, the largest entry seen at Raglan this Autumn, with quality in abundance throughout the sale trade would be significantly sharper on all lots except the very backward types. The feeding steers were out in force and up to £100 per head on the previous week. Suckler bred wintering cattle also in high demand and more are needed in the coming weeks.

Feeding steers sold to £2530 (580kg) for Limousin crosses from JG Biggs & Son, Penrhos. Charolais crosses to £2500 (642kg) from WT & AM Edwards, Pontypool. Charolais crosses to £2490 (525kg) from A & ME Jones, Cwmarvan, the best from MJ Spencer, Bryngwyn to £2430 (630kg).

Feeding heifers to £2170 (525kg), £2160 (520kg) & £2100 (535kg) for Charolais crosses from M & B Williams, Pencoed. Limousin crosses to £2040 (500kg) from BW & MM Thomson & Partners, Llanharan.

Wintering types saw another big lift with steers selling to 525p/kg (£2100-400kg) for Charolais crosses from Williams Bros, Blackmill, with similar steers to 510p/kg, 509p/kg, 495p/kg, 491p/kg & 490p/kg, all from the same home. All the well bred steers 470p/kg & over.

The wintering Heifers lacked the quality in depth compared to the steers today, heifers to 436p/kg (£1460-335kg) for Limousin crosses from P Thomas & Son, Mynyddislwyn, with smart Limousin crosses from JPP Whittingham & Sons, Great Tyrnynach to 432p/kg twice.

Overall a pleasure to sell today to a very large crowd of potential buyers with prices generally exceeding vendors expectations.
